Saint Vincent de Paul of Washington County

We need your help to purchase a new or used truck

We are a non-profit organization that helps residence of Washington County, WI. Our Thrift stores provide financial support to help those in need with rent, food, clothing and other basic necessities. Last year we helped 3360 people in the community. In our mission to help the poor our trucks help us provide a free pickup service for donated furniture and other items for residents of Washington County. Like all vehicles they get worn and rusty, our trucks are showing their age. The rising cost of repairs has been a burden and has us needing to purchase a new truck. We currently have two 26 ft box trucks with hydraulic lifts and looking to replace them with the same.

All donations are greatly appreciated!

A donation of any size will help cover the cost of new or used trucks so we are able to continue to offer this free service to the residences of Washington County, Wisconsin.

Thank you for your help!
