

Restoring hope for our neighbor's lives through physical, emotional, and spiritual support

St. Vincent de Paul Society of Washington County Mission Statement

St. Vincent de Paul Society of Washington County is a non-profit, charitable organization that offers physical, emotional, and spiritual support to neighbors in our community. We exist to be the love of Christ to those around us and strive to see the face of Christ in those we serve.

Blessed by God and by generous donations from those who wish to support us in this mission of charity, SVDP of Washington County operates stores that generate funds for our outreach ministry activities. Our stores also provide employment for people of all abilities in our community.

St. Vincent de Paul volunteers visit the homes of families struggling to pay for their basic needs. Through these visits, St. Vincent de Paul volunteers partner with families to help resolve their issues and restore hope in their lives.

With Christian prayer and action SVDP of Washington County becomes the hands and feet of Christ in our community. We function with a sense of gratitude for all who support the
